CULTURE AT THE CORE: AN INDIGENOUS APPROACH TO HEALING FROM DOMESTIC VIOLENCE

Kenneth Squetimkin

Domestic Violence/Sexual Assault Case Manager

Description: Here at Chief Seattle Club, we strive for advocacy that acknowledges Generational Trauma to move towards Generational Healing. Putting our traditions, history, and resilience at the forefront of the support we provide the Native Community offers a redefined approach to what overcoming DV/SA can look like for our Survivors. Our mission to "...provide sacred space to nurture, affirm, and strengthen the spirit of urban Native people." is within reach with every intake and opportunity we are provided to walk alongside our community.
